MIDLANDS REGIONALS

The Midlands Regional Brass Band Championships take place during the first and second weekends of March. This year, there will be a change in venue, with the event being hosted at The Corby Business Academy, located at Gretton Rd, Corby NN17 5EB.

Each year, over 80 bands compete in the five sections for the chance to represent the area at the National Finals in London or Cheltenham, and to determine the grading positions for the following year.

Corby Business Academy

WMBBA would like to send all member bands who are competing over the two weekends the best of luck
